

LIVELIFE

LEAVE THE CARES AND SERVICES TO US

- Be greeted by the two-story rock fireplace inside the security-enhanced front door.
- Savor home cooked meals in the dining room or in your own kitchen.
- Enjoy the perks of heated, underground parking or the large screen TV in the club room. There's even Wi-Fi and a library with computer access to help you stay in touch and in the know.
- Stay fit in the exercise room. Be pampered in the salon/barber shop. Worship in the chapel. Take part in activities. Stop by the café or general store for a quick pick me up. Jump on the van for a ride to shopping or appointments.
- Retreat to the sanctuary of your own space. Apartment options vary from cozy one bedrooms to spacious two bedrooms with two baths, a den and more than 1,400 square feet. There's even a hotel like room to reserve for company when they come to visit.
- Feel secure with a state of the art pendent system. A push of the button summons help, no matter where you are on campus.
- Should you or a loved one require additional care, there's home healthcare on site. In a separate building, attached by a common area, there are options for assisted living, memory care and care suites with 24/7 staffing. Nowhere else in the Blaine area can you find these different levels of care on the same campus.
- Trust Crest View. Our ministry of service to seniors began in Columbia Heights in 1952. Our Columbia Heights campus has all the levels of care as Blaine, plus short term rehabilitation, long term care, and end of life services.
- Blaine opened Oct. 28, 2016. Already, a waiting list has been set up for the independent living apartments.
- Assisted living, memory care and care suites are needs based. There are openings. The turnaround time for assessment and placement can be done within a couple days.
- Financial assistance may be available, depending on qualifications and housing selections.
